

Jesus lived a perfect life because we couldn't. He offered himself as a sacrifice because He loves us. He was raised to life conquering death and the grave so that He could forgive us. All we are to do is receive the gift of eternal life by placing our faith in Jesus, and show our faith by turning from sin. When we do that, God gives us a new spirit with new desires and the power to resist the Devil and his temptations.

If you would like to receive God's gift of eternal life, you can do so right now.

*"now is the day of salvation"* (2 Corinthians 6:2)

**Confess** that you are a sinner deserving hell  
**Believe** with all your heart that Jesus can save you from hell  
**Repent** from sin (repent means to turn from sin, and to God)  
**Ask** Him to give you the power to overcome sin, and change you to the person he has called you to be.

You can pray something like this...

God, I confess that I have sinned against you and I deserve the penalty. I don't want the penalty, and I believe that you paid it for me already by your sinless blood on the cross. Jesus, I pray that you send your Spirit to live inside of me to empower me to turn from my sins and change me into the person you want me to be.

Remember, saying a prayer doesn't save you; repentance from sins and faith in Christ does. Romans 10:17 says that faith comes from hearing the Word of God. To help you continue in your faith, read the Bible (The Word of God) and obey what you read. Find a Bible Believing Church and get connected.

This booklet is intended to tell you the most important message that you will ever hear. Not only is it the most important message you will ever hear, it is also the best news you will ever hear. In fact, this message is called “The Gospel” which means “The Good News”.

### The Good News Is...

The Good News can be explained in the most popular bible verse in the world, John 3:16 “For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life.”

In grammar, we have what is called implicit language. It’s when saying one thing automatically implies something else. For example: The statement “I’m getting fillings in my teeth” implies “I have cavities”. So if the Gospel says “Jesus died for our sins”, what does that imply? It implies that there is **BAD NEWS**. It implies that we are sinners and that Jesus’ death was necessary to save us. The Gospel implies that the good news starts with the bad news.

One of the problems that we face is the neglect of telling people the *full* council of God. For example: God is kind, loving, merciful and full of forgiveness. Those are God’s attributes that we have no problem sharing with others. However, God is also righteous, holy, just, and hates sin. Without understanding these attributes, the others won’t make any sense.

### The Bad News Is...

“The soul who sins is the one who will die...” (Ezekiel 18:20)

Everyone has a body that is destined to die; however when the bible (God’s word) refers to the soul dying, it implies **Eternal Death** which is described as eternal fire, torment, outer darkness, and a place of weeping and gnashing of teeth. Hell is a horrible place of eternal, conscious torment where those who sin against God’s righteous standard will spend eternity after they die.

### What Happens When We Die?

“So then, each of us will give an account of himself to God.” (Romans 14:12)

“It is appointed for men to die once, and after this comes judgment” (Hebrews 9:27)

### “How Will We Be Judged?”

“There is no one righteous, not even one; there is no one who understands, no one who seeks God.” (Romans 3:11-12)... “For **ALL** have sinned and fall short of the glory of God” (Romans 3:23)... “The wages of sin is death...” (Romans 6:23)... “...their place will be in the fiery lake of burning sulfur. This is the second death” (Revelation 21:8)

The bad news is that we are all born in sin, and the wages of sin is death - which according to the bible means eternity in hell. Without a proper understanding of the bad news, the good news makes no sense. If you didn’t know you had a disease, it wouldn’t make sense to seek a cure. The spiritual disease you have is called sin, and the only cure is God’s grace.

If God is a good judge, He has to make sure that the penalty of sin is paid. **But There Is Hope!** God the son revealed Himself by coming down to earth in the form of a man (Jesus) to live the perfect life that none of us could live, and paid the full price of our sins on His sinless body at the Cross. in our place as a sinner even though He was not. He took the punishment for our sins upon Himself. Jesus conquered death when God raised Him from the dead giving Him the right to legally dismiss our death sentence and save us from hell. In light of Jesus’ sacrifice, God requires 2 things from us...

**1. Repent** - this means to completely turn from everything God hates, and turn to God. Repentance is not just feeling bad and telling God that you are sorry; repentance demands a response.

“If we **deliberately keep on sinning** after we have received the knowledge of the truth, no sacrifice for sins is left, but only a fearful expectation of judgment and of raging fire that will consume the enemies of God.” (Hebrews 10:26-27)

**2. Trust in Christ** - Jesus alone is the reason we are saved. There was nothing we could have done to make up for the sins we committed against God. Our only chance is to put our trust and faith in a savior. “It is **by grace you have been saved through faith**; and that not of yourself, it is the gift of God.” Ephesians 2:8
